

Picks of the Month – August 2009

Web Picks:

Here are some of my favorite online videos showing cool communication, AT, & more. But, best of all, most are just “home videos” & show everyday people who are shattering the myths & ideas about this thing called disability.

“In My Language” - <http://www.youtube.com/watch?v=JnylM1hI2jc>

“One Thumb to Rule Them All” -
