The Misbehaviour of Behaviourists

Michelle Dawson has various documents, papers, presentations, and blog posts on her website called "No Autistics Allowed – Explorations in discrimination against autistics". In 2004, she published a paper titled "The Misbehaviour of Behaviourists - Ethical Challenges to the Autism-ABA Industry", in which she explores "ethical standards in the autism-ABA industry". You can read this paper and her other posts/publications at:
